

With near silent operation and ease of setup, the *Fliiiight Smart Trainer* raises the bar for your next sweat-inducing session on your favourite training app. The battery powered operation of *Fliiiight's* zero contact induction technology means your workout can be anywhere, at any time. Its lightweight and sleek design makes it easily stored away to avoid clutter in your home.

## **Features**

- Zero contact design means you never need to purchase another trainer tire
- Near silent operation
- Folds flat for easy storage
- Lightweight design maximizes portability
- Virtual flywheel decreases overall weight and size
- Class leading accuracy (±1%)
- No need for spindown calibration before each use
- Rechargeable battery power allows you to ride for 2+ hours without external power

- iOS & Android apps to view real-time and historical data and access additional features:
  - Over-the-air firmware upgrade capability for adding new features and updates
  - Custom naming to easily pick out device in a crowd
  - Battery status indicator
  - Setup and calibration
  - Diagnostics tools
- Supports training applications through:
  - Windows PC (ANT+)
  - Mac OS (ANT+ or Bluetooth®)
  - iOS (Bluetooth)
  - Android (ANT+ or Bluetooth®)
